

Didcot and Surrounding Area Infrastructure Improvements Update

Oxfordshire County Council is holding an online consultation to update local people on the proposed package of infrastructure improvements in Didcot and surrounding areas. The schemes are:

- A4130 Widening
- Didcot to Culham River Crossing
- Science Bridge
- Clifton Hampden Bypass

Have your say

As part of this consultation, public exhibitions were planned across various locations in the local area over the last two weeks in March. Unfortunately, due to instructions from Government with respect to Coronavirus (COVID-19) these have been cancelled.

You can view the plans and give feedback online via:

www.oxfordshire.gov.uk/didcotupdate

If you do not have access to the internet, please call us on **07392 318945** or **07833 401067** to request printed copies of the consultation materials and to discuss the proposals.

The consultation ends on **30 April 2020** at 11:59pm.
