

DIDCOT SUMMER FUN DAY

GRANT AID REPORT

FAO DIDCOT TOWN COUNCIL
GENERAL PURPOSES AND FINANCE COMMITTEE

On behalf of all of us at Wynter's Wish (Babyloss & Bereavement Support Charity) we wanted to thank Didcot Town Council for approving our request for funding support as part of the grant aid scheme.

The funding allowed us to host the Didcot Summer Fun Day A community event for the purposes of supporting local charities and local businesses.

We were delighted to receive such positive feedback from visitors to the event on the day about the quality of the event but especially the traders. From entertainment, activities, liquid refreshments, quality crafts and delicious bakes.

It's always a challenge with non ticketed community events to judge how the event is attended, not helped with another large scale music festival in the neighbouring town, but that said we received a steady flow of visitors throughout the day and a number of traders reporting steady sales.

Funds received paid for first aid at the event to ensure the safety of all those attending. It paid for some toilets at the venue and importantly the cost to hire the venue.

The event hosted local charities and local performance acts such as the Dukes who played some fabulous ukulele.

The event hosted a dog show that was incredibly successful and brought the community together.

Please see photos from the event and once again thank you for your support.
