150. Questions on the minutes as to the progress of any item

Cllr T Worgan explained that he intended to propose the Real Living Wage policy for contractors to full Council. There were no other questions.

Standing Orders were suspended to allow the representative from Thames Valley Play to address the Committee regarding the Grant Aid application. All members agreed.

Public Participation

Martin Gillett spoke in support of Thames Valley Play's application for £1,000, to contribute to the cost of offering a free to attend family play day event in Didcot. He explained that Oxfordshire Play Association started in 1974 and was set up to support voluntary associations. They now deliver direct projects for communities working with schools and other organisations. They run 10-15 free to attend events each year starting from mid-June through to the end of August. Their aim is to reach as many families as possible, especially those more in need of support and to promote physical and mental well-being through play and activities. This also includes education on health and recycling. Their events are free so that every family can benefit.

Martin explained that many organisations provide funding for these projects. The Didcot event has already received funding from SODC and SOHA. The total cost to hold the free event in Didcot would be more than £4,000.

The Committee thanked Martin for the information.

Standing Orders were reinstated.

151. To consider a deferred grant application from Thames Valley Play

The Committee considered the Thames Valley Play's application. It was proposed by Cllr J Broadbent, seconded by Cllr T Worgan, and RESOLVED to award the full £1,000 to Thames Valley Play. All members agreed.

- By awarding the full amount, there would be £516 left in the Grant Aid budget, until the end of the financial year.

Martin thanked the Committee for their support and left the meeting.

152. To approve the final accounts for December 2023 and January 2024

The Chair paged through the figures.

Cllr N Hards noted that there was still an amount of £196.80 outstanding from Oxford Liberal Democrats (page 7.42). The Town Clerk explained papers from agenda item 8, budget papers for 2023-2024 showed the amount had been cleared and therefore could have been paid. Cllr T Worgan will investigate this further.

It was proposed by Cllr J Loder, seconded by Cllr J Broadbent, and RESOLVED to approve the final accounts for December 2023 and January 2024. All members agreed.

153. To receive the budget papers for 2023-2024 with some of February 2024 figures

The Committee noted the budget papers for 2023-2024 with some of February figures included.

Cllr N Hards noted that the cemetery income (303/3383) had exceeded the projected income and therefore the extra could be 'vired' to other cost centres where needed.

It was proposed by Cllr T Worgan and RESOLVED to receive the budget papers for 2023-2024 with some of February's figures. All members agreed.

The Chair proposed taking agenda items out of order to allow the Committee to discuss the tender submissions. All members agreed.

154. To review the grass cutting tenders and consider whether to make a recommendation to full Council

The Committee reviewed the tenders and discussed the options of cutting some verges whilst leaving other areas 'wild'. The Committee resolved to discuss the content of the grass cutting areas with the Outdoor Services Manager.

It was proposed by Cllr J Broadbent, seconded by Cllr G Roberts, and RESOLVED to RECOMMEND Company A to carry out the grass verge cutting contract for three years at a cost of £27,950.52 per annum (£83,851.55 over three years). This would also be subject to the treatment of different areas to be determined by the Outdoor Services Manager. The vote was unanimous.

155. To consider the tender responses for the Splash Park at Edmonds Park and make a recommendation to full Council

The Committee reviewed the tender responses. Whilst Company A did offer added play value, the Committee felt that Company B was the preferred choice due to the flooring options, the decision not to use artificial grass and the fact that the connections to the main pavilion and attenuation tank were included in the quote.

It was proposed by Cllr T Worgan, seconded by Cllr J Broadbent, and RESOLVED to RECOMMEND to award the Splash Park construction to Company B, using the option of the specific Splash Park floor tiles, subject to ratification from full Council. Members requested that Officers gather more information on the Plant Room options from the company before a decision was made on the material. The vote was unanimous.

The rest of the meeting followed the original agenda.

156. To review the end of year forecast 2023-2024 and make recommendations to full Council

The Committee reviewed the end of year forecast. It was proposed by Cllr T Worgan, seconded by Cllr J Loder, and RESOLVED to RECOMMEND the virements as set out in the report. The vote was unanimous.

This would include:

- The additional amount needed for the grass cutting would be added to the grass cutting cost centre – approximately £14,526 with the service level agreement from OCC.
- A budget of £30,000 would be created for the Splash Park operating costs.
- An additional £6,000 would be added to the Grant Aid budget the surplus to be rolled at year end.
- An additional £4,000 would be vired to this year's surplus to make a grant sum of £10,000 for Edfest to also be rolled over at year end.
- An additional £17,000 would be set aside for teen play in Edmonds Park, making a budget of £50,000 for this provision (which includes £33,000 of s106 monies).
- Any sums left over to boost the general reserves.

157. To receive the Edmonds Park Community & Sports Pavilion – cost report 9 – and tracker of payments

The Committee noted the documents from Ridge & Partners. The estimate of the construction costs is £2,290,650 and the overall project cost is £2,332,571. There is a contingency balance of £67,429 out of the total authorised expenditure of £2.4m. NB: This construction cost also includes the consultancy fee from Ridge & Partners of £98,000.

The Town Clerk explained that there are still some issues with the final snagging to be finished before the Town Council receives the keys, but insurance for the new building was in place.

158. To note the CIL report for year ending March 2023

The Committee noted the CIL report. The Town Clerk informed members that the report only covered purchases up to March 2023 – so any CIL expenditure in the current financial year will not feature.

159. To approve the extension of the CCTV contract

Members considered the contract. It was proposed by Cllr T Worgan, seconded by Cllr J Broadbent, and RESOLVED to RECOMMEND to approve the extension of the CCTV contract. The vote was unanimous.

160. To consider approval of the Service Level Agreement with Oxfordshire County Council and a recommendation to full Council

The Committee considered the agreement which would bring income of £13,424 towards the grass cutting contract. This would leave the sum of £14,526 to find. It was proposed by Cllr T Worgan, seconded by Cllr J Broadbent, and RESOLVED to RECOMMEND the approval of the Service Level Agreement to full Council. All members agreed.

161. To approve the following payments to full Council to be written off

The Committee discussed the proposed payments to be written off. It was noted that these were from adhoc bookings rather than regular bookings. It was proposed by Cllr N Hards, seconded by Cllr J Loder, and RESOLVED to RECOMMEND the payments to full Council to be written off. All members agreed.

162. To discuss the Edfest event and request the £10,000 grant to be held by the King Alfred Community Centre until an Edfest Trust is set up

Cllr M Khan gave the Committee an overview on the Edfest event and why he needed the sum of £10,000. This sum had already been agreed earlier in the meeting. Cllr M Khan stated that the Committee intends to set up a CIO – Charitable Incorporated Organisation – but if this is not set up in time the King Alfred Association which is a charitable trust has offered to hold the money.

This request will need to be confirmed at full Council.

163. To consider Expressions of Interest for SODC's Community Infrastructure Levy Pilot Grant Fund

The Committee considered the grant and possible eligible projects.

The Committee suggested applying for a grant for 'improvement of access to existing open space' specifically Ladygrove Lakes, Ladygrove mound, Millennium Woods, Dida Gardens (subject to land owners permission); Mowbray Fields and other DTC facilities. All members agreed.

164. To note the Council Tax Leaflet 2024 – 2025

The Committee noted the Council Tax leaflet which would then be sent to SODC for display on their website.

165. To consider a proposal to re-organise our cost centres

The Committee considered the report to re-organise the cost centres. The Town Clerk explained that this could potentially simplify the codes which had not been reviewed for a number of years.

It was proposed by Cllr T Worgan, seconded by Cllr J Broadbent, and RESOLVED to approve the £2,500 charge from DCK Accounting to re-organise the cost centres. The vote was unanimous.

166. To review the progress report

The Committee reviewed the report.

Cllr J Broadbent enquired about the status of the Restore project. It was proposed that Restore be invited to the March meeting of the Finance and General Purposes Committee to update members on their plans.

The Town Clerk informed members that following the Extra Ordinary Full Council meeting held on Monday 19th February 2024, an Extra Ordinary Finance and General Purposes Committee meeting may be needed to further discuss the Ladygrove East development site in more detail.

The meeting closed at 9.22pm	1.

Dear Janet

Second Interim Internal Audit Report & Invoice: 2023-24

Please accept and pass on my thanks for the courtesy and attention afforded me during my recent interim review. I am pleased to attach the resultant draft report and trust that I have not misrepresented any of the report's content: should I have done so, please let me know, so that I may make any necessary amendments prior to the report's presentation to Council. May I also remind you that the Practitioners' Guide requires that our internal audit report is presented to the Council and I would appreciate your written confirmation of compliance in this respect. Might I also ask that you acknowledge safe receipt of this e-mail together with the attached report.

Anne will forward the invoice in due course.

Kind regards

Chris Hackett

Didcot Town Council

Internal Audit Report (Second interim) 2023/24

Chris Hackett

Consultant Auditor, for and on behalf of Auditing Solutions Ltd

Background

Statute requires all town and parish councils to arrange for an independent Internal Audit (IA) examination of their accounting records and systems of internal control and for the conclusions to be reported each year in the Annual Governance and Accountability Return (AGAR).

This report sets out the work undertaken in relation to our second visit for the 2023/24 financial year which was took place on the 14th February 2024. It does not repeat the findings in our report from our first visit in October, but a consolidated report will be issued after our final review for the year scheduled for the summer.

We wish to thank the Clerk, her staff and DCK Accounting (the Council's contract accountants) for assisting the process, providing all necessary documentation to facilitate our work.

Internal Audit Approach

In undertaking our review, we have again had regard to the materiality of transactions and their susceptibility to potential mis-recording or misrepresentation in the year-end Statement of Accounts / AGAR. Our programme of cover is designed to afford assurance that the Council's financial systems remain robust and operate in a manner to ensure effective probity of transactions and to afford a reasonable probability of identifying any material errors or possible abuse of the Council's own and the national statutory regulatory framework. The programme is also designed to facilitate our completion of the 'Internal Audit Certificate' in the Council's AGAR, which requires independent assurance over specified internal control objectives.

Overall Conclusion

We are pleased to advise that, based on the work undertaken to date, the Council continues to maintain adequate and effective internal control arrangements.

We request this report is presented to Members.

Detailed Report

Maintenance of Accounting Records & Bank Reconciliations

Officers maintain the Council's accounting records using the Rialtas Omega software with support from contract accountants DCK Accounting. Cash books are in use to record transactions on each operational bank and investment account.

Our objective here is to ensure that the accounting records are being maintained accurately and currently and that no anomalous entries appear in cashbooks or financial ledgers. We have consequently:

- ➤ Verified that the financial ledger remained "in balance" as at the time of our visit, based on the backup provided, specifically we confirmed the trial balance agreed to the nominal ledger, the main accounting record in Rialtas;
- Discussed arrangements for backing up the Rialtas Ledger, which is done monthly by DCK;
- ➤ Verified the reconciliations on cash book one, Unity Trust current account, at 30th November and 31st December 2023 and agreed the movements in December between the bank statements and the cash book;
- For cash book four, the Civic Hall current account at the Unity Trust bank, similarly agreed the reconciliation at 30th November and 31st December 2023 and agreed the movements in December between cash book and the Unity Trust statements;
- ➤ Verified the reconciliation on cash book five, the CCLA Account, at 31st October, 30th November and 31st December 2023 between Rialtas and the CCLA statements and agreed the receipt of interest and the fund transfers to cash book one in November and December to the cash book from the CCLA statements; and
- Agreed the reconciliation on the credit card cash book at 31st December 2023 between the card statement and the cash book.

Conclusions

We are pleased to record that no issues arise in this area currently. The Chair of the Finance and General Purposes Committee has recently signed the bank reconciliations. The accounts are in balance with regular reconciliations being completed with no aged or anomalous adjusting entries in the reconciliations.

At our final review stage, we will agree the cash balances reported in the AGAR to the third-party statements.

Review of Corporate Governance & Regulatory Framework

Our objective here is to ensure that the Council has a robust regulatory framework in place, that Council and Committee meetings are conducted in accordance with the adopted Standing Orders (SOs) and that, as far as we are reasonably able to ascertain as we do not attend meetings, no actions of a potentially

unlawful nature have been or are being considered for implementation, although it is for the Council to seek legal advice where it feels necessary.

We have continued our review of Council and Committee minutes as posted on the Council website with no matters arising.

Conclusion

The Council is maintaining its governance arrangements.

Review of Expenditure & VAT

Our aim here is to ensure that:

- ➤ Council resources are released in accordance with the approved procedures and budgets;
- ➤ Payments are appropriately supported, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and/or an acknowledgement of receipt, where no other form of invoice is available;
- > All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount;
- An official order has been raised on each occasion when one would be expected;
- The correct expense codes have been applied to invoices when processed; and
- > VAT has been appropriately identified and coded to the control account for periodic recovery.

We discussed with officers the controls over the processing of payments at our first visit. At this stage we have extended our audit testing of a sample of cash book transactions. Our sample stands now at 94 payments across the Current Account, Civic Hall and Credit Card cash books. Our test sample includes all payments greater than £3,000 plus a more random sample of every 30th payment and totals £2,695,122 equating to 70% by value of non-pay related payments processed to 31st January 2024. We are pleased to record that supporting information was provided for all items sampled.

We note that VAT reclaims for the Council are prepared and submitted to HMRC for repayment routinely at the close of each month during the course of the financial year. We have test checked the return for months seven and eight confirming receipt of funds into the current account cash book. We note the Council reviewed recently its de-minimis calculation.

Conclusions

No issues arise in the area to date requiring formal recommendations. At our final review we will consider overall expenditure for the year and extend our testing as necessary.

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage those risks in order to minimise the opportunity for their coming to fruition.

At this visit we reviewed the current insurance policy provided by Hiscox running from the 20th November 2023, cover includes:

- > Buildings and contents;
- > Business interruption loss of income cover of £600,000;
- > Employer's liability cover of £10m;
- > Public liability cover of £10m;
- ➤ Hirer liability cover of £5m; and
- Fidelity guarantee total cover of £1m.

We note there is a separate vehicle insurance policy provided to the Council through Country Wise.

Conclusion

No issues arise in this area currently warranting formal comment or recommendation. We will continue to monitor arrangements at our final visit.

Budgetary Control and Reserves

Our objective here is to ensure that the Council has a robust procedure in place for identifying and approving its future budgetary requirements and the level of precept to be drawn down from South Oxford District Council: also, that an effective reporting and monitoring process is in place. We also aim to ensure that the Council retains appropriate funds in general and earmarked reserves to finance its ongoing spending plans, whilst retaining appropriate sums to cover any unplanned expenditure that might arise.

We confirmed that the Finance and General Purposes Committee considered the draft 2024/25 budget and precept at their November and December 2023 meetings. Members were provided with detailed information including, projections of income and expenditure for the current year and proposals for the coming year, notes setting out assumptions, together with detail about reserve movements and the precept. DCK supported the process. Full Council approved the budget and precept at their meeting in January 2024 setting the latter at £1,470,433.

From our review of minutes and agenda papers we can see that Members of the Finance and General Purposes Committee receive detailed financial information including reports on debtors, detailed income and expenditure reports and balance sheets.

Conclusion

No issues arise in this area to date requiring formal recommendations. We will consider balances and reserves at our final review in the summer.

Review of Income

Our objective in this area is to ensure that the Council identifies all income to which it is entitled and has appropriate arrangements in place to ensure its prompt recovery. The Council receives income from a variety of sources including the annual precept; Civic Hall hire and bar / catering income; interment and associated cemetery fees; allotments; Section 106 and CIL moneys; bank interest and other miscellaneous sources. We tested income at our initial visit, we have extended our work at this stage as follows, specifically we:

- > Confirmed that the Council continues to keep its fees and charges under review;
- Reviewed Civic Hall Lettings. We selected a sample of five bookings for October 2023 confirming the usage had been invoiced at the correct rate with the income recorded in the Rialtas Ledger. Officers were unable to locate 4 of the booking agreements in respect of our five sample lettings;
- Reviewed the arrangements for running the bar. There are two tills which are emptied every night with the floats locked in a safe in the cellar. Users have a log in PIN when signing in to the tills. The alcohol licence been updated recently listing all those licensed to sell alcohol. At the end of each shift a cashing up sheet is prepared, the 'z' reading from the till is run and card payments deducted to calculate the expected cash and to identify any possible overs and unders. The cash sheets are signed by two staff. The manager does the banking's and passes the sheets to DCK who check the income to the bank. We reviewed the cash sheets to ensure they were being completed and signed. Stock takes can be done using the EPOS system, this can be used to prepare trading accounts which is useful for identifying expected stock usage in relation to income. A stock take was underway at the time of our visit, although this was the first for some years;
- > Tested cemetery income. We selected three interments from the Burial Account Book confirming a certificate for burial or cremation was on file and that the fee charged agreed to the schedule of rates and that the income was recorded in the Rialtas Ledger; and
- > Review the unpaid invoices report in Rialtas.

Conclusions and recommendations

The Council has systems for collecting income and there are no material old unpaid invoices.

Keeping booking agreements up to date is an ongoing challenge, (in common with a number of Councils). The Council may find it helpful to get regular hirer's to simply sign one annual booking agreement for the year confirming their acceptance of the terms and conditions and that they hold insurance. Changes to the detail of usage might be recorded via email from the hirer and attached to the booking agreement.

The Council has arrangements for managing the bar, but they could be strengthened through regular stock takes supplemented by trading accounts.

- R1 The Council should continue to seek up to date booking agreements, although might find it helpful to review the approach retaining an annual overall agreement.
- *R2* The Council should implement six monthly stock takes and prepare bar trading accounts.
