There were no questions on the minutes.

### PUBLIC PARTICIPATION

Cllr D Rouane proposed to move item 7c) – *Planning Application P24/S1631/DIS, Land at Ladygrove East Didcot* out of order to allow for Public Participation.

All members agreed.

Cllr D Rouane suspended Standing Orders to allow the members of the public to address the Committee.

The first member of the public introduced themselves, and explained that the part of the estate in which they resided did not get consulted after they had moved in.

The resident also had concerns regarding the privacy, as the pathways were only 2 meters wide between the development and the existing estate.

The resident further explained that the development could result in loss of light, and it would impact the ground stability and have impact on traffic and local flooding.

The second member of the public also pointed out the high risk of ground stability being affected, and questioned why it took 30 years to agree a development on the site.

The resident also had concerns about the impact on the local wildlife, the lack of provisions, and the inclusion of power pylons on some of the area marked as a park.

Cllr D Rouane explained that the Outline Planning Permission has already been granted and gave an overview of the current application. Cllr D Rouane also explained that the developer has passed the wildlife assessment and explained that the delays in planning permission were caused by a mix of reasons, including financial implications and land ownership.

The Committee thanked the members of the public, and reinstated Standing Orders to discuss the application.
