21st August 2024

Christmas Tree in August!

Christmas shopping in August might seem a bit early for some, but today we picked out our Didcot Town Council Christmas trees.

The Mayor of Didcot, Cllr Andrew Jones and some of the Outdoor Services Team visited The Tree Barn today to pick out and reserve the Didcot Town Council Christmas trees. These trees will arrive in late November.

The smaller tree picked out today will be located in the reception area of Didcot Civic Hall.

The large tree will be on Broadway outside Didcot Civic Hall. The lights on this tree, along with the Christmas lights on Broadway, will be switched on on Saturday 30th November. The exact time the lights will go on will be confirmed closer to the date.

Each year, Didcot Town Council hold multiple affordable Christmas events including a magical Grotto at Didcot Civic Hall, a Festive Fun Run on Ladygrove Park, and an under 12s Christmas Disco. The dates and locations of these events are on the next page.

For more information, please email us at [**events@didcot.gov.uk**](mailto:events@didcot.gov.uk)
