# Community Litter Pick

Litter collected in 2023

**A Community Litter Pick is organised annually by Didcot Town Council and this year we had a great turn out.**

The litter pick was held on Wednesday 31st July and residents volunteered their time to help clean up Edmonds Park.

The litter picks are a great way to get involved in community activities.

If you would like to sign up for the next one, due to be held next Summer Holidays, please email [events@didcot.gov.uk](mailto:events@didcot.gov.uk).

Two of our helpful volunteers

*"Good for the community to help out"*

"I think it is a lovely idea for people to get together and it's good for the community to help out.

I sometimes litter pick in my own spare time but now I have met some like-minded people and look forward to the next one."

-Didcot Resident
